# Cruising Michigan's Chain O' Lakes

by Dan Armitage

*Follow in the paddle strokes of Ottawa Indians along this popular northern Michigan waterway.*

The most popular restaurant on the Inland Route is the historic Hack-Ma-Tack Inn on the Cheboygan River just inland of the town of the same name. More customers arrive by boat at this out-of-the-way eatery than by any other means, and no Inland Waterway tour is complete without a hearty lunch, or at least a quick gander at the rustic north country decor, at the local landmark.
